Volume 1

March 2017

Our success is also dependent on partnerships. As Helen Keller says - Alone we can do little; together we can do so much! So very true and a lot of it was reflected in February 2017! It was a month of interaction, bonding and recognizing our partners in service, who worked with us shoulder to shoulder in serving the community.

Our Interactors club of Gregorius School, Chembur were very enthusiastic and energetic this year and actively participated in our projects and also did quite a few on their own. All of this was possible because of their planning and vision, right from the beginning! Our Rotary Community Centre (RCC) has also been making an impact in the local communities at Karjat by involving themselves in the development and growth of the area in terms of water, sanitation, education, women empowerment, agriculture and farming. Vidya Integrated Development, our partner for Bhavishya Yaan program, has done a phenomenal job in training and developing the students in lifestyle, computer literacy and English speaking at Rajaram Sheth Vidyalaya School, Mulund.

One of our sustaining flag ship project "Joy Musculoskeletal Corrective Surgery camp" was conducted at SPARSH hospital which led by Dr. John Kleg, Dr. Mayuresh and team. We have been doing this project for more than 12 years consistently and have touched more than 1,000 lives. Through this initiative, we have truly created a new life for people who were affected by musculoskeletal deformities and it is indeed a great service!

We also had a great line up of speaker meetings along with an interesting rendezvous session with our RoDeos - Cmdr. Jana and IPP Ajit Pappu. The highlight of this month were the Sundowner PEAK awards for the year 2015-16, where our club was recognised and awarded with various trophies, citations and recognition for the wonderful work done under the stewardship of IPP Ajit Pappu! Kudos to team 2015-2016!

March 2017 is also going to be equally interesting with our Charter Day celebrations on 19th March with induction of new members and felicitation of Rtn. Suresh Goklaney, and our Blue Ribbon Awards Night function on 25th March 2017, where Justice B. N. Srikrishna is going to be the Chief Guest. We are also going to have a musical therapy program "SAMRDHH- the Music Clinique for Wellness, Leadership & Change" which will be conducted by our Honorary Rotarian Sunita Bhuyan on 1st April at Acres Club, Chembur.

Looking forward to large participation from all the RoDeos - Together we can create wonders!

With warm regards,

AV Suresh

We organized a two day "Joy Musculoskeletal Corrective Surgery" camp at SPARSH Hospital, Sastur, near Sholapur, along with the NGO Pride India, wherein we had more than 200 OPD cases and 34 surgeries were performed. It was a heart touching experience to see young children and adults affected with muscular deformities from birth and even later on, approaching our panel of doctors with a hope for a new life. Our panel of doctors headed by Drs. John Kleg, Mayuresh, Hemanshu Bendre, Kale, Shahbaaz, Kamlesh Patel and team worked tirelessly to see all patients. The project was led by Nandu Shenoy and supported by Nagesh Bhat, Satish Lamba and Prabodh Sharma. We also visited the school next door for differently abled children and have assured our support and help in vocational placement and safe drinking water through Eureka Forbes.

Thanks Shobha and Rajendra for your continuous guidance and support to this program.
