

Rotary Deonar

The PULSE

Edition 4

Volume 1

October 2016

September 2016 was a month of "Fellowship & Bonding". In Rotary, fellowship & bonding are at the crux and everything revolves around these two important key elements. Though the scope of fellowship has changed much over the years, but today their purpose is still to unite Rotarians in friendship and provide venues for enjoying their favourite recreational or professional activities besides serving humanity.

We had a fantastic September where we saw some great fellowship over speaker meetings, dinners and even at service projects. To begin with, we had eminent speakers like Mr. Srinivasan, Professor at Jamnalal Bajaj Institute, who spoke about the current trend in education systems and how there are ample of opportunities available which opened our minds on the way we approach life.

In our Joint meeting with Rotary Club of Ghatkopar, Mr. Sivanandhan, Retired Director General of Police and one of the most highly regarded IPS Officers in India, spoke about "Cyber Crime" and the impact it can have in our day to day life and the precautions one needs to take to safeguard their privacy. Both these topics were very informative and thought provoking.

RoDeos bonded well over festivities like Ganapati and Onam. Our Rtn. Raghunath Rajan invited everyone for Ganesh puja followed by dinner at his residence. And the bonding of RoDeos further continued over a sumptuous "Onam Lunch" which was attended by nearly 100 RoDeos, their families and well-wishers. Shyam Datye also shared a presentation on his experience as a volunteer at Rio

Olympics, which made all of us proud! It was a great fellowship lunch and everyone thoroughly enjoyed the flavours of the Kerala cuisine.

We also took part in the TRF Centennial Race Day Meet with DG Gopal Rai Mandhania and other Rotary Club members where a brief presentation on the Race Day Meet was made and ideas were exchanged over dinner.

We also executed two major medical projects viz. NID Polio Immunization Camp & Diabetes Camp. Both these projects were conducted successfully and this was possible only because of the participation by RoDeos in large numbers. We had camps in 3 locations and covered 400 people on Diabetes awareness and check-up. There was a good response from the community and Police.

Our Inner Wheel Club members also participated in a Rose Day Function at Sion Hospital with the children suffering from cancer. It was heartening to see the smiles on the faces of these little children.

Lastly, we ended September by giving a donation of Rs. 1,12,950/- to ISKCON towards midday meal project for the needy schools, thereby making our transition into October, which is the month of "Joy of Giving"! This was collected from our very own big hearted Rodeos and we would like to express our gratitude to them.

October is going to be equally interesting with some very exciting programs & speakers and we look forward to your participation to make October yet another memorable month! Together we can!
