

FIRST E-BULLETIN FROM TEAM RODEO PULSE

July 2016 was an action packed month with some great impactful projects, good speaker meetings and close fellowship programs. It was extremely heartening to see how RoDeos & Rotaractors engaged themselves in various projects to serve the community.

We began this year by conducting projects like Blood Donation & Diabetes Screening-Awareness Camps to create awareness and touch lives of the people! One of the key thrust areas for this year is Organ Donation and we showed our support to this cause by participating in the "Organ, Skin & Tissue Donation Seminar" and have pledged to make our club as 100% Organ Donor Club!

Since this is the "Centennial year" for The Rotary foundation, we rolled out the 14th camp of our signature project "Operation Restore 100" in association with Rotary Club of Bombay North & other co-hosts to conduct burns surgeries for 24 patients at the National Burns Centre in Airoli. This camp was inaugurated by Rotary Veteran Kalyan Banerjee (TRF chair 2016-17 & PRID).

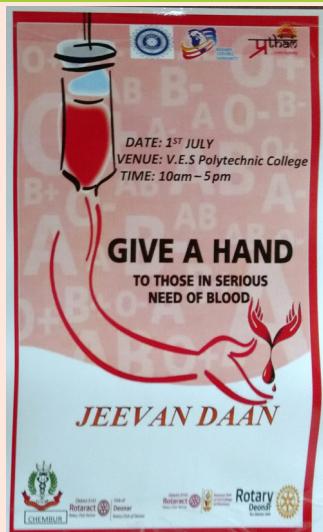

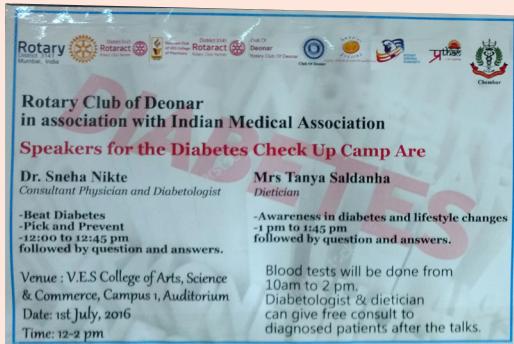

We also organized a small celebration of "Vijay Diwas" at our Kargil Memorial - DhartiKeLal in association with Rotary Club of Thane North End, to show our gratitude and respect to those who laid down their lives for our country.

This month, we also had some very good charismatic speakers like Dr. Bharat Pandya who spoke on the importance of "Look beyond You see". Since fellowship is the crux of any meeting, we organized our first joint speaker meeting of "Swami Gaur Gopal Das" in association with Rotary club of Chembur, Chembur (West) & Ghatkopar. Swami Gaur Gopal Das held the audience in splits with his down to earth humour and some gems from the scriptures.

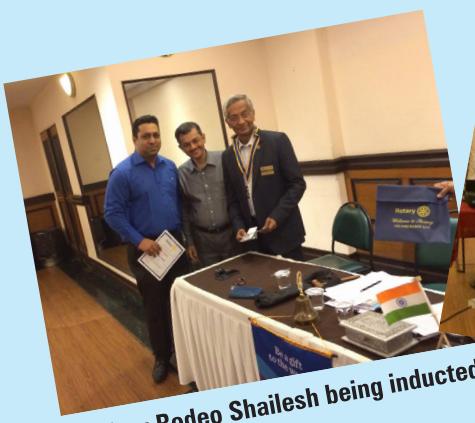

Apart from speaker meetings, we also had the installation night for the incoming President & his board of Directors, where the theme of the year "Work for a cause, not applause" was revealed and the new board was sworn in. DG Gopal Mandhania was the chief guest for this meeting. Subsequent to installation night, we also conducted our first "Club Assembly" wherein President AV Suresh laid the foundation by sharing his mission and vision for this Pratham year and presented the budget for the year.

In other news, Rotarian Rajendra Datye's son Rotaractor Shyam Datye after successful selection by the Olympics Volunteer Committee, left for Rio De Janerio to participate as a Volunteer in the upcoming Olympics. The installation ceremonies of IWC and Rotaractors were very well done. The RoDeos look forward to a great year ahead as one team with one dream.
